

Before...

After...

So, What is OnlyOne?

It's One Local Number for work, fax, cell, home, voicemail, & pager.

... Here is what some of our customers have to say ...

"With OnlyOne, I never have to scramble to write down, remember or even dial a number when replying to voice mail."

- Real Estate Agent

"I am out of the office 50% of the time, and sometimes I can receive up to 35 calls in an hour. OnlyOne helps me manage everything."

- Multi Media

"I receive a lot of faxes with multiple pages and with OnlyOne, I can easily forward and archive them on my computer."

- Telecom/Data Provider

"The one number does it all – OnlyOne saves me time and aggravation."

- School for Performing Arts

"With OnlyOne, I was able to eliminate one land line and lower my monthly cell phone charges."

- Computer Consultant

... And how does it work?

Well, it's best to see a demonstration, but for now think of OnlyOne as **A WAY TO ...**

- Control when, where, how & from whom you take calls
- Be immediately notified when you receive a fax or a voicemail
- Have the privacy of not giving out your home, cell or private numbers, yet still take calls there
- Control and reduce cellular minutes
- Receive faxes privately and confidentially
- Change cell providers or phone numbers anytime without the need to give out new number
- Finally unify all of your voicemails, faxes and e-mails into ONE inbox
- No hardware/software to purchase or install and no contracts!
